2014-2015 WOVI Theme

Leading the Wave of Global Change!

At the Leadership Summit on Saturday, October 18, 2014, the 2014-15 WOVI theme, "Leading the Wave of Global Change," was announced. The theme, created by the Board, speaks to WOVI's visions and motivations.

Realizing that there is tremendous change in our world today, WOVI leads many changes for women through our chapters, with our mission, vision and purpose this theme seemed to speak to, and of, our organization. We lead the way to change that makes a difference in your lives thus the lives of women around the world!

Dear Pauline,

A message from the President:

I'm writing this from St. Augustine, Florida, where I'm spending a week with my sisters. We, and our husbands, get together twice a year. We laugh a lot. We share memories and we work together as a team as we cook and play. As all good teams do, we work together easily, like WOVI women do, and to do what needs to be done without being told or asked. We see what needs to be done and do it. It's a wonderful experience any way you look at it. And like in WOVI, it's women working beautifully together toward a common goal that benefits all.

Consider what you gain through your membership in WOVI: A mentor as well as relationships with women with a wide variety of experiences and interests. You gain leadership skills when you serve your chapter in one of the ten leadership positions. You are among women who work together toward a common goal.

Exciting Events Planned

For the 2014-15 WOVI year there are many exciting events planned. Review the calendar that is included in this issue of The Vision. Pay close attention to the Membership Contest WOVI, Inc. is promoting starting January 1, 2015. Invite your friends and colleagues to a meeting. Encourage them to join. It's a win-win.

Management Council and Board

I'm excited about the women who are serving on the Management Council this year. They are all dedicated to making sure each member gets the most out of membership in WOVI. I'm excited that the Board selected me to serve as President of the Management Council. It's a privilege and an honor to work with these women. They are all truly amazing! Review the list of the Management Council members so you know who is serving to make WOVI and your experience in WOVI even better.

I look forward to seeing and talking with all of you at the Holiday Mixer, "Jingle, Mix & Mingle" and Silent Auction on Thursday, December 4, 2014.

Warm regards,
Pauline Shirley
