

OPENING SPEAKER TAMMY DEAN " WARRIOR WOMEN"

It is Tammy's passion to help women across cultural lines fulfill, with clarity, their God-given gifts. She accomplishes this through inspirational speaking, coaching, and events. Tammy "DynamicDean" hosts monthly events like: "Sisterhood Saturday" and a yearly "Sisterhood Call to Unity" Conference. An event that brings women together for a time of healing, empowerment, and restoration.

She spent 7 years as a bank manager, and 12 years in real estate before embarking on a new passion. The hopes and dreams of other women! She desired the same fervency in seeing their dreams come to past as she would her own.

She began hosting prayer and praise gatherings in her home where she encouraged the women to not just pray for their own desires, but to pray Hers also (pointing to a woman in the room). That statement sparked the brand, PrayHers. A 501c3 where the mission is to UNITE women, IGNITE passions, and BIRTH dreams. Instead of preying on other's accomplishments, Tammy encourages women to pray for each other's success.

She has authored, "In Hers is Yours", a 31-Day prayer challenge guidebook, and co-authored, "Tapping Into Your Inner Beauty". She has also been featured in Voyage To Dallas. As a proud member of Toastmasters and is a member of Faith4Life church in Carrollton, TX where she serves as a youth leader for children 3rd-5th grade. She enjoys reading, writing, walking, decorating, family, and hanging with great friends.
